I. SCOPE OF SOLICITATION

ACQUIRE SERVICES (JAN 2006): The purpose of this solicitation is to acquire services complying with the enclosed description and/or specifications and conditions. [01-1010-1]

A. It is the intent of the South Carolina Education Lottery (SCEL) to solicit for creative design services, with fixed hourly rates and qualifications, to provide the Marketing and Product Development Department (“Marketing”) of SCEL sources of creative and concept development, graphic design, copy writing, art directions, layout and design, e-communication design, flash, two-dimensional animation, and video production (“Services”) on an “as-needed” basis. This solicitation invites submission of both qualifications and hourly pricing for review and possible placement of qualified services providers (“Providers”) on a list of qualified sources for freelance graphic and other design services.

B. Qualified Providers will be placed on a Qualified Provider List (QPL). SCEL will select individual(s) or firm(s) for negotiations. Being placed on the QPL does not guarantee any level of usage of Provider’s services. Failure of a Provider to receive business from SCEL shall not be grounds for a contract controversy under Section 11-35-4230 of the South Carolina Consolidated Procurement Code.

C. During the existence of this QPL, SCEL may add additional qualified Providers every three (3) months in January, April, July, and October, starting in the second year.

D. SCEL will review the submissions of all qualified individuals or entities and contact one or more sources to make up the QPL for engagement as and if needed. As the need arises, SCEL will contact one or more the Providers on the QPL and inform them of the specific services needed or desired and request a proposal at the predetermined hourly rate along with an estimated number of hours, a proposed timeline or schedule, and the total price. SCEL may also request a Not To Exceed Price for each request for services.

BUDGET MAXIMUM (JAN 2006): The funds available for this project are limited to \$75 per hour. If the price you offer exceeds this amount, your offer will be rejected as non-responsive. [01-1030-1]

MAXIMUM CONTRACT PERIOD – ESTIMATED (JAN 2006): Start date: May 14, 2014; End date:

May 13, 2017. Dates provided are estimates only. Any resulting contract will begin on the date specified in the notice of award. See clause entitled “Term of Contract - Effective Date/Initial Contract Period”. [01-1040-1]

The initial contract period is for one (1) year, with the option of two (2) one-year (1) renewals. The maximum contract period is for three (3) years. The total combined expenditures are limited to fifty thousand (\$50,000.00) dollars. If the fifty thousand (\$50,000.00) dollar limit is reached prior to expiration of the three (3) year term, the contract will terminate immediately.

This solicitation is governed by Section 11-35-1550 – Bid procedures on procurements up to fifty thousand dollars – of the South Carolina Consolidated Procurement Code.

If a fixed price is required, an Offer will be rejected if the total possible cost to the State cannot be determined. Offerors will not be given an opportunity to correct any material nonconformity. Any deficiency resulting from a minor informality may be cured or waived at the sole discretion of the Procurement Officer. [R.19-445.2070 and Section 11-35-1520(13)]

A bid is materially unbalanced when it is based on prices significantly less than cost for some work and prices which are significantly overstated in relation to cost for other work, and if there is a reasonable doubt that the bid will result in the lowest overall cost to the State even though it may be the low evaluated bid, or if it is so unbalanced as to be tantamount to allowing an advance payment. [02-2A105-1]

RESTRICTIONS APPLICABLE TO OFFERORS (JAN 2004): Violation of these restrictions may result in disqualification of your offer, suspension or debarment, and may constitute a violation of the state Ethics Act. All communications must be solely with the Procurement Officer. This restriction may be lifted by express written permission from the Procurement Officer. Upon request, Offeror must provide proof of the agent's authorization to bind the principal. [02-2A115-1]

STATE OFFICE CLOSINGS (JAN 2004): If an emergency or unanticipated event interrupts normal government processes so that offers cannot be received at the government office designated for receipt of

bids by the exact time specified in the solicitation, the time specified for receipt of offers will be deemed to be extended to the same time of day specified in the solicitation on the first work day on which normal government processes resume. In lieu of an automatic extension, an Amendment may be issued to reschedule bid opening. [07-7A072-1]

SURVIVAL OF OBLIGATIONS (JAN 2006): The Parties' rights and obligations which, by their nature, would continue beyond the termination, cancellation, rejection, or expiration of this contract shall survive such termination, cancellation, rejection, or expiration, including, but not limited to, the rights and obligations created by the following clauses: Indemnification - Third Party Claims, Intellectual Property Indemnification, and any provisions regarding warranty or audit. [07-7A075-1]

Contractor agrees to refund any tax collected, which is subsequently determined not to be proper and for which a refund has been paid to contractor by the taxing authority. In the event that the contractor fails to pay, or delays in paying, to any taxing authorities, sums paid by the State to contractor, contractor shall be liable to the State for any loss (such as the assessment of additional interest) caused by virtue of this failure or delay. Taxes based on Contractor's net income or assets shall be the sole responsibility of the contractor. [07-7A080-1]

TERMINATION DUE TO UNAVAILABILITY OF FUNDS (JAN 2006): Payment and performance obligations for succeeding fiscal periods shall be subject to the availability and appropriation of funds therefor. When funds are not appropriated or otherwise made available to support continuation of performance in a subsequent fiscal period, the contract shall be canceled. In the event of a cancellation

THIRD PARTY BENEFICIARY (JAN 2006): This Contract is made solely and specifically among and for the benefit of the parties hereto, and their respective successors and assigns, and no other person will have any rights, interest, or claims hereunder or be entitled to any benefits under or on account of this Contract as a third party beneficiary or otherwise. [07-7A090-1]

WAIVER (JAN 2006): The State does not waive any prior or subsequent breach of the terms of the Contract by making payments on the Contract, by failing to terminate the Contract for lack of performance, or by failing to strictly or promptly insist upon any term of the Contract. Only the Procurement Officer has actual authority to waive any of the State's rights under this Contract. Any waiver must be in writing. [07-7A095-1]

VII. TERMS AND CONDITIONS -- B. SPECIAL

The contractor will be considered the sole point of contact with regard to all situations, including payment of all charges and the meeting of all other requirements. [07-7B065-1]

DEFAULT – SHORT FORM (JAN 2006): The state may terminate this contract, or any part hereof, for cause in the event of any default by the contractor, or if the contractor fails to comply with any contract terms and conditions, or fails to provide the state, upon request, with adequate assurances of future performance. In the event of termination for cause, the state shall not be liable to the contractor for any amount for supplies or services not accepted, and the contractor shall be liable to the state for any and all rights and remedies provided by law. If it is determined that the state improperly terminated this contract for default, such termination shall be deemed a termination for convenience. [07-7B080-1]

ILLEGAL IMMIGRATION (NOV 2008): (An overview is available at www.procurement.sc.gov) By signing your offer, you certify that you will comply with the applicable requirements of Title 8, Chapter 14 of the South Carolina Code of Laws and agree to provide to the State upon request any documentation required to establish either: (a) that Title 8, Chapter 14 is inapplicable to you and your subcontractors or sub-subcontractors; or (b) that you and your subcontractors or sub-subcontractors are in compliance with Title 8, Chapter 14. Pursuant to Section 8-14-60, "A person who knowingly makes or files any false, fictitious, or fraudulent document, statement, or report pursuant to this chapter is guilty of a felony, and, upon conviction, must be fined within the discretion of the court or imprisoned for not more than five years, or both." You agree to include in any contracts with your subcontractors language requiring your subcontractors to (a) comply with the applicable requirements of Title 8, Chapter 14, and (b) include in their contracts with the sub-subcontractors language requiring the sub-subcontractors to comply with the applicable requirements of Title 8, Chapter 14. [07-7B097-1]

INTELLECTUAL PROPERTY INFRINGEMENT (JAN 2006): (a) Without limitation and notwithstanding any provision in this agreement, Contractor shall, upon receipt of notification, defend and indemnify the State, its instrumentalities, agencies, departments, boards, political subdivisions and all their respective officers, agents and employees against all actions, proceedings or claims of any nature (and all

damages, settlement payments, attorneys' fees (including inside counsel), costs, expenses, losses or liabilities attributable thereto) by any third party asserting or involving an IP right related to an acquired item. State shall allow Contractor to defend such claim so long as the defense is diligently and capably prosecuted. State shall allow Contractor to settle such claim so long as (i) all settlement payments are made by Contractor, and (ii) the settlement imposes no non-monetary obligation upon State. State shall reasonably cooperate with Contractor's defense of such claim. (b) In the event an injunction or order shall be obtained against State's use of any acquired item, or if in Contractor's opinion, the acquired item is likely to become the subject of a claim of infringement or violation of an IP right, Contractor shall, without in any way limiting the foregoing, and at its expense, either: (1) procure for State the right to continue to use, or have used, the acquired item, or (2) replace or modify the acquired item so that it becomes non-infringing but only if the modification or replacement does not adversely affect the specifications for the acquired item or its use by State. If neither (1) nor (2), above, is practical, State may require that Contractor remove the acquired item from State, refund to State any charges paid by State therefor, and take all steps necessary to have State released from any further liability. (c) Contractor's obligations under this paragraph do not apply to a claim to the extent (i) that the claim is caused by Contractor's compliance with specifications furnished by the State unless Contractor knew its compliance with the State's specifications would infringe an IP right, or (ii) that the claim is caused by Contractor's compliance with specifications furnished by the State if the State knowingly relied on a third party's IP right to develop the specifications provided to Contractor and failed to identify such product to Contractor. (d) As used in this paragraph, these terms are defined as follows: "IP right(s)" means a patent, copyright, trademark, trade secret, or any other proprietary right. "Acquired item(s)" means the rights, goods, or services furnished under this agreement. "Specification(s)" means a detailed, exact statement of particulars such as a statement prescribing materials, dimensions, and quality of work. [07-7B115-1]

LOTTERY VENDORS (SCEL): If selected, Providers must provide an attestation certifying that the Offeror and its employees, if any, are in compliance with and will not violate or induce a person to violate Title 8, Chapter 13 of the South Carolina Code of Laws, as amended (the Ethics Act) or Title 59, Chapter 150 of the South Carolina Code of Laws, as amended, (the South Carolina Education Lottery Act). The Offeror is responsible for reviewing and understanding the obligations, requirements, and prohibitions contained in these Acts.

"Section 59-150-130. (A) In coordination with the State Law Enforcement Division, the commission shall investigate the financial responsibility, security, and integrity of a lottery vendor who is a finalist in submitting a bid, proposal, or offer as part of a procurement. To defray a portion of the expense of this investigation, each lottery vendor finalist shall submit a certified check for five thousand dollars to the commission. This sum must be placed in an escrow account from which SLED must be paid to conduct the investigation pursuant to this section. If five thousand dollars is not sufficient to complete the investigation, the commission shall require the lottery vendor finalist to remit additional funds. Any funds remaining in the escrow account after the investigation is complete must be returned to the lottery vendor finalist. At the time of submitting the bid, proposal, or offer to the commission, the commission shall require disclosure of the:

(1) lottery vendor's name and address and, as applicable, the names and addresses of the following, if the lottery vendor is:

(a) a corporation, the officers and directors and each stockholder in the corporation, except that in the case of owners of equity securities of a publicly-traded corporation, the names and addresses of only those known to the corporation to own beneficially five percent or more of the securities must be disclosed;

(b) a trust, the trustee, and all persons entitled to receive income or benefits from the trust;

(c) an association, the members, officers, and directors; and

(d) a partnership or joint venture, all of the general partners, limited partners, or joint venturers;

(2) states and jurisdictions in which the lottery vendor does business and the nature of the business for each such state or jurisdiction;

(3) states and jurisdictions in which the lottery vendor has contracts to supply gaming goods or services including, but not limited to, lottery goods and services, and the nature of the goods or services involved for each state or jurisdiction;

(4) states and jurisdictions in which the lottery vendor has applied for, sought renewal of, received, been denied, or had revoked, or has issuance pending of, a lottery or gaming license of any kind or had fines or penalties assessed to his license, contract, or operation and the disposition of each in each state or jurisdiction. If a lottery or gaming license or contract has been revoked or has not been renewed or a lottery or gaming license or application has been denied or is pending and has remained pending for more than six months, all of the facts and circumstances underlying the failure to receive a license must be disclosed;

(5) details of a finding or any plea, conviction, or adjudication of guilt in a state or federal court of the lottery vendor for a felony or other criminal offense other than a traffic violation;

(6) details of any bankruptcy, insolvency, reorganization, or corporate or individual purchase or takeover of another corporation, including bonded indebtedness, or pending litigation of the lottery vendor;

(7) contributions made to or independent expenditures relative to the campaign of a candidate for the General Assembly or statewide constitutional office, to any political party, as defined in Section 8-13-1300(26), or to a committee, as defined in Section 8-13-1300(6), for the twelve-month period before the application and up to the date of disqualification of the applicant or the awarding of the contract, whichever occurs first; and

(8) additional information the commission determines appropriate for the procurement involved. If at least twenty percent of the cost of a lottery vendor's contract is subcontracted, the lottery vendor shall disclose all of the information required by this section for the subcontractor as if the subcontractor were itself a lottery vendor.

(B) A lottery procurement contract must not be entered into with a lottery vendor who has not complied with the disclosure requirements described in subsection (A), and a contract with a noncomplying lottery vendor is voidable at the option of the commission. The commission may terminate a contract with a lottery vendor who does not comply with the requirements for periodically updating the disclosures during the time specified in the contract. The provisions of this section must be construed broadly and liberally to achieve the ends of full disclosure of all information necessary to allow for a full and complete evaluation by the commission of the competence, integrity, background, and character of a lottery vendor for procurements.

(C) A procurement contract must not be entered into with a lottery vendor if he or it has:

(1) been convicted of a felony related to the security or integrity of the lottery in this or another jurisdiction;

(2) been convicted of unlawful gambling activity, false statements, false swearing, or perjury in this or another jurisdiction; or

(3) been found to have violated the provisions of this chapter or a regulation of the commission, unless either ten years have passed since the violation or the board finds the violation both minor and unintentional in nature.

(D) A procurement contract must not be entered into with a lottery vendor if the lottery vendor has an ownership interest in an entity that supplied consultation services under contract to the commission regarding the request for proposals pertaining to those particular goods or services.

(E) A lottery vendor or applicant for a procurement contract must not pay, give, or otherwise make available anything of value in violation of provisions of the South Carolina Ethics Reform Act. A violation of the act is subject to the provisions of Sections 11-35-4220 and 11-35-4230.

(F) A lottery vendor who has entered into the competitive solicitation process for a procurement contract or who has been awarded a procurement contract with the commission shall not contribute, for a period of twelve months before entering into the procurement process, except that during the first twelve months the period must be from the date of enactment, and during the term of the contract, to or make independent expenditures relative to the campaign of a candidate for the General Assembly or a statewide constitutional office; to a political party, as defined in Section 8-13-1300(26); or to a committee, as defined in Section 8-13-1300(6).

(G) A lottery vendor must not enter into a contract for the purpose of influencing a political decision in connection with the operation of the lottery, and a lottery vendor must not employ, contract with, or otherwise authorize a lobbyist, as defined in Section 2-17-10(13), to engage in lobbying, as defined in Section 2-17-10(12), on behalf of the lottery vendor for the purpose of influencing a political decision in connection with the operation of the lottery.

(H) A lottery vendor shall disclose, upon written inquiry, the amount of any commission, referral fee, finder's fee, consulting fee, or contingency fee paid in connection with obtaining the contract and the name of the person to whom the monies were paid.

(I)(1) The prohibitions and restrictions described in subsections (F) and (G) specifically apply to a lottery vendor as defined in Section 59-150-20(9), except as provided in item (2) of this subsection, and its employees, members of its board, and holders of an interest in it of more than ten percent, and their immediate family members, as defined in Section 59-150-20(6).

(2) The prohibitions and restrictions described in subsection (F) do not apply to a lottery vendor that is a federally-chartered or insured financial institution that provides only usual and customary banking services as a lottery vendor, but do apply to the vendor's employees and their immediate family members who are involved on a day-to-day basis in providing the goods or services that are the subject of the contract with the commission.

(J) The commission is prohibited from contracting with a lottery vendor if the fee or commission payable in connection with the service or product is contingent, in whole or in part, upon performance of lottery sales or other lottery profitability measure.”

“Section 59-150-140. (A) At the execution of the contract with the commission, a lottery vendor shall post a performance bond or letter of credit from a bank or credit provider acceptable to the commission in an amount determined by the commission for that particular bid or contract. Instead of the bond, a lottery vendor, to assure the faithful performance of its obligations, may deposit and maintain with the commission securities that are interest bearing or accruing and that are rated in one of the three highest classifications by an established nationally recognized investment rating service. Securities eligible pursuant to this section are limited to:

(1) certificates of deposit issued by solvent banks or savings associations which are organized and existing under the laws of this State or under the laws of the United States and are approved by the commission;

(2) United States bonds, notes, and bills for which the full faith and credit of the government of the United States is pledged for the payment of principal and interest; and

(3) corporate bonds approved by the commission. The corporation that issued the bonds must not be an affiliate or subsidiary of the depositor. The securities must be held in trust and must have at all times a market value equal at least to the full amount estimated to be paid annually to the lottery vendor under contract.

(B) Each lottery vendor must be qualified to do business in this State and shall file appropriate tax returns as provided by the laws of this State. All contracts pursuant to this section are governed by the laws of this State.

(C) A contract must not be let with a lottery vendor in which a public official has an ownership interest unless the letting of the contract complies with Section 8-13-775.

(D) Procurement contracts must be handled in accordance with the South Carolina Consolidated Procurement Code.

(E) In all contracts entered into in connection with this chapter, the resident lottery vendor preference provided in Section 11-35-1524 must apply to procurements made by the commission, except that the following additional provisions apply:

(1) the preference also must apply to the procurement of services, as defined in Section 11-35-310(29), and advertising;

(2) with respect to the procurement of services or advertising, the definition of the term “resident lottery vendor” must be modified as provided in this item. Section 11-35-1524(B)(6)(c) does not apply to a lottery vendor providing services or advertising. Instead of Section 11-35-1524(B)(6)(c), the lottery vendor shall provide services or advertising which are representative of the general type of services or advertising on which the bid is submitted;

(3) with respect to the procurement of services or advertising, instead of providing the certifications provided in Section 11-35-1524(C), the lottery vendor shall certify in writing in the bid:

- (a) that he is a resident of the State;
- (b) the services or advertising is available; and
- (c) the cost of the services or advertising is not unreasonable.”

AMENDMENT 1
FPB GD FY14

Question 1

Q: We were considering entering a bid for this until we found the clause that said selected vendors must submit a check for \$5,000 for a SLED background check. With no guarantee of work, this seems highly unreasonable just to be placed on a qualified vendors list. Let me know if I have misunderstood this.

A: Near the middle of page 21 is the following clause:

“LOTTERY VENDORS (SCEL): If selected, Providers must provide an attestation certifying that the Offeror and its employees, if any, are in compliance with and will not violate or induce a person to violate Title 8, Chapter 13 of the South Carolina Code of Laws, as amended (the Ethics Act) or Title 59, Chapter 150 of the South Carolina Code of Laws, as amended, (the South Carolina Education Lottery Act). The Offeror is responsible for reviewing and understanding the obligations, requirements, and prohibitions contained in these Acts.”

Offerors must include the following statement as an attestation with their submission: “I certify that I and my employees, if any, are in compliance with and will not violate or induce a person to violate Title 8, Chapter 13 of the South Carolina Code of Laws, as amended (the Ethics Act) or Title 59, Chapter 150 of the South Carolina Code of Laws, as amended, (the South Carolina Education Lottery Act).”

The submission of the attestation is deemed a substitute for the \$5,000.00 deposit requirement for criminal background check(s) for the purposes of this procurement.

After the clause, the two codes sections in the Lottery Act relating to Lottery Vendors, §§ 59-150-130 and 59-150-140, are provided as information only.

Question 2

Q: The amendment to the first solicitation from April 14, 2014 states:

Q: On page 4 of this solicitation, it states: The initial contract period is for one (1) year, with the option of two (2) one-year (1) renewals. The maximum contract period is for three (3) years. If we have been approved for the initial year, do we need to reapply for the option of two one-year renewals? Or does it automatically renew?

A: Once a vendor has been placed on Qualified Provider List, the vendor stays on the list through the length of the contract period, up to three years or until the \$50,000 maximum has been reached. Vendors do not re-apply every year.

However, vendors on the Qualified Provider List (QPL) received a memo by email thirty days before the end of the first contract period, informing them of a Change Order in Compliance with the Iran Divestment Act. Vendors already on the QPL must return a form certifying the vendor is not on the Iran Divestment Act List.
