Question 6

Q: I do not understand the sample issue. The bid says no samples required unless awarded the bid, then the bid states you need 9 samples of some items. Please clarify.

A: The IFB states in multiple locations only the lowest priced vendor will be asked to provide samples. No award will be made until the samples are approved. On pages 16 and 17, the list of samples that will be requested from the lowest priced vendor is provided, clearly stating the list only applies to the lowest priced vendor if asked to provide samples.

See the Cover Page: NUMBER OF COPIES TO BE SUBMITTED: One (1) hard copy of bid only, which must be submitted by mail or by hand. **Emailed bids NOT accepted.** After the bids are tabulated, ONLY the lowest priced vendor will be requested to submit samples of the promotional items being solicited.

See Page 12, **RESPONSIVENESS/IMPROPER OFFERS (MODIFIED)**, under II. INSTRUCTIONS TO OFFERORS -- A. GENERAL INSTRUCTIONS:

(f) **Do not submit bid samples or descriptive literature unless expressly requested.** Unsolicited bid samples or descriptive literature will not be examined or tested, will not be used to determine responsiveness, and will not be deemed to vary any of the provisions of the solicitation. S.C. Code Ann. Reg. 19-445.2077(D).

ONLY the lowest priced vendor will be requested to submit samples of the promotional items being solicited. The samples should include a logo as an example of the vendor's print quality, but the logo does NOT have to be an SCEL logo. If the lowest priced vendor cannot provide samples or if the samples provided are not approved, the next lowest priced vendor will be requested to submit samples. If

requested, your failure to provide samples will result in rejection of your offer. See Section II, Instruction to Offerors—B. Special Instructions, Samples.

Pages 16 and 17:

Free samples may be required for testing and/or evaluation. After opening of solicitation, a Vendor may be requested to submit samples for evaluation at no charge to SCEL. **SAMPLES ARE NOT REQUESTED FROM EVERY VENDOR, ONLY THE LOWEST PRICED VENDOR WILL BE REQUESTED TO PROVIDE SAMPLES AFTER BIDS ARE RECEIVED AND TABULATED.**

If requested, your failure to provide the minimum number and type of samples will result in rejection of your Offer. You must send your sample to the Procurement Officer under separate cover, mark the Solicitation Number on the outside of the shipping carton, and tag each sample with your name and other pertinent information as described in Section III. The Procurement Officer must receive your samples prior to the deadline provided to the Vendor at the time of the request for samples.

However, if the actual sample is not in the requested color, the Vendor requested must provide a virtual sample of the requested color(s) in addition to the actual sample. Question 7

Q: Have any items been done before, if so [what are] the last winning bids?

A: Any information regarding previous solicitations can be obtained by submitting an official FOIA request for that specific solicitation. Previous bids are not relevant to this solicitation and, as such, the current solicitation will not be delayed or postponed because of a FOIA request relating to previous bids.

Question 8

Q: For the embroidered items, do you have the stitch count for the logos to calculate accurate pricing? We can also use the DST file to calculate the stitch count for the logo.

A: The stitch count for the embroidered items is under 6,000 stitches.

Question 9

Q: For the lunch boxes, the current style does not have enough stock to fulfill the order. Attached is a similar option to consider, would this option be ok?

A: A vendor may propose a substantially similar product. The text of bidding schedule states for each item: "or a similar product as deemed acceptable by SCEL." Please provide information on any similar product(s) you propose when returning you bid and note if there will be change in imprint size or method. Again: **SAMPLES ARE NOT REQUESTED WITH BIDS.**

Question 10

Q: For the Therm-O Tote, the factory that can imprint 10"Hx5"W does not have enough stock of the navy to fulfill the order in time. I have another factory with the same tote, but a different imprint size of 8"hx6"w, would this be ok?

A: Yes, proposing a similar product or imprint size is fine. Please note in your bid if there will be a change in the item requested, imprint size or method.

Question 11

Q: The problem most bidders will encounter is the Chinese New Yr. Most of February there will be limited production and shipping. I do not see the delivery being able to be met.

A: Thank you for your input. Please see the answer to Question 12 below.

Question 12

Q: Are bids due on 1/15/18 at 11:00 a.m. or 1/18/18 at 11:00 a.m. Both dates are listed in solicitation.

A: In order to provide vendors with more time to prepare their bids and to allow more time to produce some of the items, the date and time when bids are due and the delivery date for eight items are changing. The bids are due on Wednesday, January 24, 2018, by 2 p.m. local time.

In calculating the Low Bid, all pricing will be taken from the Bidding Schedule in Section VIII of this solicitation. The "Extended Price" will be calculated by multiplying the "Quantity" by the "Unit Price" for each line item. The Unit Price should include shipping. The Total Bid Price will be the sum total of the "Extended Prices."

The lowest bidder will be determined as the Vendor having the lowest Total Bid Price, after preferences have been applied, who can meet the delivery schedule: The solicitation requests pricing for a ~~single~~ two delivery date dates: 1) in the week of March 5, 2018, no later than 11 a.m. local time on Friday, March 9, 2018, to receive ~~100 percent of the order~~ Items 5, 6, 7, 8, and 13; and 2) in the week of April 2, no later than 11 a.m. local time on Friday, April 6, 2018, for Items 1, 2, 3, 4, 9, 10, 11, and 12. Question 13

Q: What is the stitch count for Item 1's logo?

A: Please see the answer to Question 6.

Question 14

Q: What is the stitch count for Item 2's logo?

A: Please see the answer to Question 6.

Question 15

Q: For Item 2 are you embroidering a Kelly Green tree on a Kelly Green hat?

A: Item 2 is a Kelly Green visor. The 2-color (White and Kelly Green to match ~~cap~~ visor) with SCLE logo embroidered on front of Kelly Green visor. The interior "Tree" part of the Logo to be embroidered in the same color as the ~~cap~~ visor. SCLE has an embroidery diskette with a ".dst" file available at the winning vendor's request.

Question 16

Q: For Item 3 are you embroidering a Navy tree on a Navy hat?

A: Item 3 is a Navy visor. The 2-color (White and Navy to match eap visor) with SCEL logo embroidered on front of Navy visor. The interior “Tree” part of the Logo to be embroidered in the same color as the eap visor. SCEL has an embroidery diskette with a “.dst” file available at the winning vendor’s request.

Question 17

Q: For Item 4 are you embroidering a Khaki tree on a Khaki hat?

A: Item 4 is a Khaki visor. The 2-color (Navy and Khaki to match eap visor) with SCEL logo embroidered on front of Khaki visor. The interior “Tree” part of the Logo to be embroidered in the same color as the eap visor. SCEL has an embroidery diskette with a “.dst” file available at the winning vendor’s request.

Question 18

Q: For Item 12 you have the fan size as 7 ¾. On AnyPromo.com, their video describing the product states that the size is 7”. The description in the bid states 7 ¾ diameter. Can you verify that the fan size is 7”?

A: SCEL will accept fans sized both 7" and 7.75".

Question 19

Q: After award, how long does the winning bidder have to supply samples with random imprint?

A: See Question 6. No award will be made until the samples are approved. The samples requested from the lowest-priced vendor are required prior to award. Once the lowest priced vendor is identified and asked to provide samples, a week is allowed for the vendor to produce the samples for evaluation.

There are three (3) reasons award would not be made to the lowest priced vendor:

- a) If the samples received are not approved;
- b) If the vendor requested cannot produce samples in the time requested; or
- c) If the lowest priced vendor does not have a State Vendor Number at the time of award.

Should any of the above reasons occur, award will be postponed to allow the next lowest priced vendor to provide samples for approval.

Question 20

Q: Is sample in actual color and a virtual sample of logo imprint acceptable if supplier does not have item available with imprint?

A: No. **For Imprint Samples:** The actual sample MUST have an actual logo imprint. Virtual logo imprints will NOT be accepted in place of an actual imprint. **For Color Samples:** Virtual samples in the correct color are acceptable in addition to an actual sample in another color. The actual samples are needed to ensure the quality of the item and the quality of the imprint.

Question 21

Q: Can SC Education Lottery pay invoices by check so as to avoid a credit card fee?

A: For paying an invoice, the use of a P-card is capped at \$2,500.00 including shipping and taxes and would not apply to this solicitation. After checking with SCEL’s Finance Department, our preference is to pay by direct deposit into the vendor’s bank account to avoid fees on either end.
