Question 18

- Q. In the Preference Section, SC/US End Product, is highlighted that it does not apply. The clause below states "That ALL documentation requested by SCEL's Procurement office must include manufacturer's contact info including: a contact name, phone #, and email address in order to verify info below", (indicating that they do apply) . Could you please explain this discrepancy in verbage?**
- A. The language to which you are referring in the Preference Section for the SC/US End-Product on page 7 of the solicitation, "SC/US End-Product DOES NOT APPLY," is one of the three choices available to check under the heading: "Please check the appropriate box if it applies". If a vendor is not claiming the SC/US End-Product Preference, then he/she would check the third box to which you are referring, "SC/US End-Product DOES NOT APPLY." If a vendor is claiming the SC/US End-Product Preference, then he/she must check one of the first two boxes as it applies and supply the requested documentation.**

Please check the appropriate box below if it applies.
